Under 23 selection standards – National Selection Regatta 2023

Revision 1

1. Invited crews will compete at the National Selection regatta on 12 to 14 May 2023.
2. The winning crews in their invited boat classes at this National Selection Regatta will be assessed against a standardization factor percentage of 1,25% off the fastest crew of the day, ranked according to World's Best Times for automatic qualification.
3. Crews will need to achieve the standard once during the regatta.
4. Furthermore, considering a four-year U23 development cycle athletes who demonstrate potential for long-term development may be selected if they are within 2.5%.
5. The selection panel and IC will evaluate future prospect athletes based on objective and subjective criterion, for example their:
 - relative age and gender,
 - national and international performance history trends,
 - continuous testing track records, and the
 - ability to communicate and collaborate in a team environment.
6. In line with RowS's transformation goals athletes outside 2.5% may also be considered for selection.

Yours faithfully

International Commission
