Annexure B U23 – Revision 2 – 27 April 2024.

RowSA advises that the National Selection Policy general procedures is under review. The Selection Policy dated 2017 is applicable to the selection process for 2024 with the following IC ratified revision:

1. Objectives.

Clause 1.1.4 is adjusted to read.

"To select crews of international standard that have the potential to make an A final or outperform the FISA 'guidelines of finish' at an U23 World Championship, within the framework of RowSA's long term objectives."

Final Selection Procedures.

1. Invited U23 crews will compete at the National Selection regatta on 10 to 12 May 2024.
2. The winning crews in the applicable boat classes at the National Selection Regatta held on 10 to 12 May 2024, will be assessed against a standardization factor percentage of 2,5% off the fastest crew of the day, ranked according to World's Best Times for automatic qualification.

Class	BM	BW
Scull	06:42.97	07:24.89
LW Scull	06:46.34	07:24.59
Double	06:07.57	06:47.03

3. The athletes in any crew winning its individual boat class and finishing within 2,5% of the top performing boat of the race are automatically selected.
4. Crews will need to achieve the standard once during the regatta.

5. The U23 Selection Panel will discuss the merits of any boat winning its boat class but are outside of 2,5%. Such discussion will be guided by an analysis of the crew's performance in training together with the broader objectives of RowSA which will include development, transformation, and gender strategies.
6. The decisions of the U23 Selection Panel will be presented to the Chair of the International Commission or his nominee for final ratification and publication.
7. In the event of an appeal against the selection decisions, the selection announcement will be delayed pending a ruling by the Appeals Tribunal.
